Well, it's that time of year again! NORTH MACON PARK is gearing up for the 2015 season, and we look forward to it almost as much as our kids do. North Macon Park provides the perfect environment for our youth to participate in organized sports, while at the same time reaping the intangible benefits of teamwork, making new friends, and becoming better ball players. There have been many improvements to our park - improvements like these were made possible because of PEOPLE LIKE YOU WHO CARE about our park, our community, and our children. Our facilities reflect this. While we have made considerable progress in the last several years, we must continue to seek improvements.

With that being said, we respectfully ask you to consider a tax deductible donation/sponsorship for our 2015 season. While any donation is welcomed, we have established this method that may help you in your decision. **ALL SPONSORSHIPS are per calendar year.**
