

**St. Catherine of Laboure Men's Assn.
 "Lock of the Week" Football Pool
 2010 Season**

Each week, participants in the "Lock of the Week" football pool will pick one football team that they are most confident will win that week's football game. Anyone losing or have a tie in his or her weekly pick is out of the pool. Play continues until there is only one person remaining in the pool. That person will win the pool proceeds, which is 50% of any money taken in for the pool. The other 50% is a donation to the St Catherine of Laboure Men's Association which raises money for athletics and spiritual programs of the parish..

Cost: \$20.00

Rules:

1. Each week, players must submit the team that they believe will win that week's game before Saturday at 11:00 A.M. Players must submit their choice by e-mail. If there is a Thursday night game you must submit by 4:00 P M on Thursday or 11:00 AM for a Saturday game. Remember when making your selections, there are no point spreads and your pick must win. Games that end in a tie will count as a loss. You may pick the same team as often as you like.
2. Players who do not send in their weekly pick by the cut-off time by email will automatically be assigned the **HOME TEAM** of the **Monday Night football** game as their choice for that week.
3. Play will continue until there is only one person remaining in the pool. If there is more than one survivor at the end of the season (playoffs included), they will split the proceeds evenly. In the event that the remaining players all lose on a given week, the proceeds will also be divided evenly among those players. When 5 or fewer players remain, we will ask them each week of their intentions to play on or split, but **all must agree to divide the pool or play continues.**
4. You may enter as many times as you like, however no entries will be accepted after September 8, 2010. The first game of the season is Sept. 9, 2010 with regular games beginning on the Sept. 12, 2010.
5. **Players must be 18 years or older to play. Not responsible for lost, late, or misdirected entries. You may not change your entry once it has been submitted.**
